

In keeping with UNHCR's commitment to transparency, efficiency and accountability, this table provides details on UNHCR's funded partnerships in 2022, for agreements of more than 15,000 USD, including country, partner, project purpose and budget in USD, except any cases where publication might have created security, protection or other justified concerns for any stakeholders involved, given the often challenging and sensitive contexts in which UNHCR works. A summary of UNHCR's total 2022 expenditure via partners, including funding to local and national actors, can be found on page 18 of the 2022 UNHCR Global Report available at <https://reporting.unhcr.org/global-report-2022>.
